

David Hernández Cela

COMPANY/ENTITY: UC3M

POSITION: Entrepreneurship and Innovation

WEB: <https://es.linkedin.com/in/david-hernandez-cela>

Entrepreneurship and Innovation defines me. As a young aerospace engineer I have learn to solve problems in complex situations with an analitic reasoning; and my studies in bussines development and experience in startups hacc given me an open-minded view to "think out of the box".

I have more tan 5 years of working experience as an aerospace consultant, a R&D consultant, foundign several startups and now working in Universidad Carlos III as an entrepreneurship and innovation mentor.

Universidad Carlos III de Madrid
